FEATURES

The Eye of Competence (Individual Competence Baseline - ICB4) constitutes a complete inventory of skills for the management of projects, programs, and portfolios.

The 3 areas of competence are:

- Perspective
- People
- Practice

The e-Learning course covers the three competence areas of the ICB and is designed to provide a solid introduction to project management tools, techniques, and skills. The content can be accessed in free order according to your personal learning approach. The course is available in English, German and French. The lessons include a variety of exercises that help reviewing the content and preparing for the exam.

A SELF GUIDED COURSE WITH

89 lessons 29 modules 30 hours

▶ available in different languages
▶ accompanied by an experienced coach

Theoretical approaches

How-to's: systematic approach

Example of concrete experience

Exercises, case studies

Pitfalls: traps to be avoided

Checklist: points not to be omitted

The guideline of this e-Learning is interactivity: Participants are deeply involved and have to work on many exercises – the best way to experience and acquire the know-how. Numerous tests have been designed to ensure a perfect understanding. For efficient guidance, references are made to the IPMA Competence Baseline ICB 4, so participants know where to find the detailed explanation in the book.

Extra service: The learner can choose whether he/she wants to be accompanied by an experienced tutor during the course. More information on the Tutoring can be found in the dedicated fact sheet.

AUDIENCE AND OBJECTIVES

Target group:

Project managers who aspire for one of the four levels of the IPMA certification.

Objectives:

At the end of the training, the participants will be able to:

- Understand the technical, behavioral and contextual competences.
- Establish their knowledge and be prepared for the certification exam.

DURATION

Once the access activated, it will be valid for 12 months. The average duration for completing the course is 30 hours.

To finish the course, the learner must complete all lessons with a minimum of 80%.

This is an IPMA® registered training course. After the course completion, the learner can request a certificate.
